When **coming North on the 101**, stay in the left lane of the Raintree exit ramp. You will cross back over the freeway like you are making a U-turn. Veer into the right lane and you will be on the frontage road going South. Take your immediate right into the first parking lot, **The Pima Commerce Center** go straight into the parking lot and take your first left and proceed to the second/middle building. There is a water feature at the north end of the second building between the **Anexus** building and the **Joyce L. Bassett, DDS** sign. We are in the same building upstairs next to **On Q Financial**. Behind the water feature is a glass lobby, with a stairs and elevator that takes you to the second floor. Our Suite 215 has a clear glass door with **Smiles by Joyce** etched on it.
